

## *BIG RAPIDS FOOT & ANKLE*

---

103 S. STATE ST  
BIG RAPIDS, MI 49307

### **Post operative instructions**

**(231) 796-4522**

- **Remove Bandage about 3 hours after the procedure.**
- **Evening of the procedure: purchase iodine or use mild dish soap in lukewarm water. Soak for 10 minutes twice daily, for 10-14 days. Clean nail borders with q-tip to remove any loose debris. Apply a small amount of triple antibiotic ointment and cover loosely with CLOTH band aid.**
- **The toe will be red, swollen, and have drainage for weeks after Procedure. If concerned please contact Big Rapids Foot and ankle**
